About the Entitlement Offer

Ausenco Limited (ASX:AAX) (**Ausenco**) today announced that it will raise approximately \$31.5 million through a 4 for 11 accelerated pro rata non-renounceable entitlement offer (**Entitlement Offer**) of fully paid ordinary shares in Ausenco (**New Shares**).

The Entitlement Offer includes an accelerated institutional component (**Institutional Entitlement Offer**) and a retail component (**Retail Entitlement Offer**).

The offer price for the Entitlement Offer will be \$0.70 per New Share (**Offer Price**). The Offer Price represents a 41.7% discount to the last traded price of Ausenco shares, and a 34.4% discount to TERP¹.

The Entitlement Offer is fully underwritten by Deutsche Bank AG and Morgans Corporate Limited.

The funds raised from the Equity Raising will be used to lower debt and provide Ausenco with balance sheet strength to manage the current operating environment.

Under the Retail Entitlement Offer, eligible retail shareholders will be able to subscribe for 4 New Shares for every 11 existing shares held at 7.00 pm (AEDT) on Monday, 2 December 2013 (**Record Date**) at the Offer Price.

The Retail Entitlement Offer will include a top up facility under which eligible retail shareholders who take up their full entitlement will be invited to apply for additional New Shares in the Retail Entitlement Offer from a pool of those not taken up by other eligible retail shareholders. There is no guarantee that applicants under the top up facility will receive all or any of the shares they apply for under the facility.

¹ TERP is the theoretical price at which Ausenco shares should trade immediately following the ex-date for the entitlement offer assuming 100% take up of the Entitlement Offer. TERP is a theoretical calculation only and the actual price at which Ausenco shares trade immediately following the ex-date for the Entitlement Offer will depend on many factors and may not be equal to TERP.

Entitlements are non-renounceable and will not be tradeable on ASX or otherwise transferable. Shareholders who do not take up their entitlements will not receive any value in respect of those entitlements that they do not take up. Shareholders who are not eligible to receive entitlements will not receive any value in respect of the entitlements they would have received had they been eligible.

It is expected that approximately 44.9 million New Shares will be issued as part of the Entitlement Offer. New Shares issued under the Entitlement Offer will rank equally with existing ordinary shares.

Eligible retail shareholders will receive an information booklet including a personalised entitlement and acceptance form which will provide further details of how to participate in the Retail Entitlement Offer. A copy of the information booklet will also be lodged with ASX.

Ausenco will also despatch a letter in relation to the Entitlement Offer to each holder of performance rights.

Those shareholders who Ausenco determines to be ineligible shareholders will also be notified.

An investor presentation on the Entitlement Offer has been lodged with ASX today and is able to be downloaded from ASX's website, www.asx.com.au and from the company's website www.ausenco.com. The investor presentation contains important information, including key risks and foreign selling restrictions with respect to the Entitlement Offer.
