9 June 2009

Dear Shareholder

Ausenco Share Purchase Plan

On behalf of the Board of Ausenco Limited ('Ausenco'), I am pleased to offer you the opportunity to participate in Ausenco's Share Purchase Plan ('Plan'). Participating in the Plan may enable you to increase your Ausenco shareholding by up to \$15,000 without the brokerage and fees that would apply if you acquired Ausenco shares on the ASX.

The offer to participate in the Plan follows the successful completion of a A\$40.5 million share placement to institutional and sophisticated investors at an issue price of A\$3.20 per share on 28 May 2009. The placement was significantly oversubscribed and attracted strong support from existing institutional shareholders, as well as a range of new local and international investors.

Proceeds from the Placement and Plan will be used to position Ausenco strongly for the future so that we can respond to project and acquisition opportunities, specifically:

- Supporting the company's sustainable growth strategy as new projects are awarded;
- Enhancing diversification and growth opportunities for strategic and accretive acquisitions; and
- Strengthening the company's balance sheet for maximum financial flexibility.

The key elements and timetable of the Plan are included within the Plan document attached to this letter. The Plan opens on 10 June 2009 and is expected to close on 30 June 2009. Participation in the Plan is entirely optional. The Plan is being offered to all existing Eligible Shareholders who are on Ausenco's share register as at 7.00pm Thursday 4 June 2009.

This letter and its attachments set out the details and terms and conditions of the Plan. I urge you to read these materials in their entirety and to seek your own professional advice in relation to the Plan before you decide whether or not to participate.

To apply for Shares under the Plan, please follow the instructions on the enclosed personalised application form.

On behalf of the Board, I invite you to consider participating in the Plan and thank you for your continued support of Ausenco.

Yours faithfully

QUESTIONS AND ANSWERS

What is the Share Purchase Plan?

The Share Purchase Plan ('Plan') being offered by Ausenco provides Eligible Shareholders with the opportunity to purchase additional Shares in the Company without incurring brokerage and other transaction costs. The price paid by Eligible Shareholders under the Plan will be no more than the price paid by institutional and sophisticated investors in the placement of approximately 12.6 million shares at \$3.20 per share to raise \$40.5 million which was completed on 29 May 2009.

The Plan will be offered under the Plan Rules (see *Annexure A* to this Plan booklet) which contains the terms and conditions, as well as some important definitions.

Shares issued under the Plan will rank equally in every respect with Existing Shares and will be eligible to participate in all dividends paid after the date of issue and will carry the same voting rights and other entitlements as Existing Shares.

Why is Ausenco issuing more Shares?

The Plan is intended to provide existing shareholders with the opportunity to purchase further shares in Ausenco at no more than the same price of \$3.20 per share, the same price paid by institutional and sophisticated investors in the recently completed institutional placement. The Issue Price may be less than \$3.20 as it is to be determined according to a formula, being the lesser of \$3.20 or a 5% discount to the 5 day VWAP up to and including 30 June 2009 (subject to the discount condition under '*What is the Issue Price*' on the next page). The funds raised by this Plan will be used to position Ausenco to take advantage of growth opportunities in the market and improve working capital flexibility.

Will the directors participate in the Plan?

Directors and senior management are able to participate in the Plan, with some having already indicated their intention to participate in the Plan.

How much will Ausenco raise under the Plan?

Ausenco has not set an upper limit on the amount of capital to be raised under the Plan. However, Ausenco reserves absolute discretion to determine the amount raised under the Plan and to scale back applications under the Plan to the extent and in the manner that it sees fit. See below for further details regarding Scaleback of applications.

Am I an Eligible Shareholder?

All holders of Existing Shares as at the Record Date with a registered address in Australia or New Zealand are eligible to participate in the Plan.

The Company is not making this offer to shareholders in countries outside Australia or New Zealand.

Are Eligible Shareholders required to participate in the Plan?

Participation in the Plan is optional for Eligible Shareholders. In the event that an Eligible Shareholder wants to participate in the Plan, they may purchase Shares in accordance with the Plan Rules up to the Maximum Application Amount.

Before deciding on whether to participate in the Plan, and in particular before completing any application for Shares, you should read this document carefully and in its entirety and consider the Company's disclosures of operating and financial performance and, if necessary, consult your financial adviser.

How much can I invest under the Plan?

Shareholders may subscribe for Shares up to the Maximum Application Amount, being \$15,000. The Maximum Application Amount is calculated using the Issue Price so that the number of Shares subscribed for, multiplied by the Issue Price, must not exceed \$15,000.

Applications must be for at least the Minimum Application Amount of \$1,500 and in multiples of \$500 thereafter.

What is the Issue Price?

The Issue Price will be the lesser of:

1. \$3.20 per Share, being the same price as the institutional placement completed on 29 May 2009, representing a discount of 13.5% to the closing market price on 27 May 2009; and
2. a 5% discount to the 5 day VWAP up to and including the Plan closing date of 30 June 2009.

In accordance with ASX requirements and the conditions under the ASX waiver, the Issue Price is subject to the discount offered under the Plan being no greater than 20% of the Company's average share price over the last five days on which sales in the Company's shares were recorded either before the day on which the offer was first announced or before the day on which the issue was made.

Ausenco will announce the final issue price to ASX as soon as it is able to be calculated.

What risks are associated with investing under the Plan?

The market price for the Company's Shares may change between the Opening Date and the Allotment Date. The method for determining the Issue Price is detailed above. Eligible Shareholders wanting to participate in the Plan should obtain independent professional advice in relation to the taxation consequences of an investment under the Plan.

You may choose not to participate in the Plan.

When can I sell Shares purchased under the Plan?

Shares issued under the Plan may be sold or transferred on ASX at any time after quotation. The Quotation Date is expected to be 13 July 2009.

The Company will apply for quotation of all Shares issued under the Plan on the Official List of ASX following the processing of those Applications received from Eligible Shareholders by the Closing Date.

It is the responsibility of each applicant to confirm their holding before trading in New Shares. Any applicant who sells New Shares before receiving confirmation of their holding, in the form of their holding statement, will do so at their own risk.

How do I apply for Shares under the Plan?

Eligible Shareholders can subscribe for Shares under the Plan in one of two ways, depending upon whether payment is to be made by cheque or alternatively by BPAY®.

To pay by cheque:

Eligible Shareholders must complete the personalised Application Form enclosed with this Plan booklet and return it in the stamped addressed envelope provided with a cheque in payment of the Subscription Amount before 5.00pm (AEST) on 30 June 2009 to:

Ausenco Limited Offer
Computershare Investor Services Pty Limited
GPO Box 5240
BRISBANE QLD 4001

or deliver it to

Ausenco Limited Offer
Computershare Investor Services Pty Limited
Level 19, 307 Queen Street
BRISBANE QLD 4000

To pay by BPAY:

Eligible Shareholders must make payment by BPAY following the instructions on the Application Form. Payment must be received before 5.00pm (AEST) on 30 June 2009. There is no need to return the Application form.

What is the Subscription Amount?

The Subscription Amount is the amount subscribed for, up to the Maximum Application Amount, being \$15,000 worth of Shares.

How many Shares will I receive?

The number of Shares to be issued to each Eligible Shareholder will be calculated by dividing the Subscription Amount by the Issue Price.

The Company may, in its absolute discretion, undertake a Scaleback, including for the purpose of complying with Listing Rule 7.2, Exception 15.

If the parcel of shares does not equal a whole number of shares when the Issue Price has been determined, the value of the Shares issued to you will be rounded up to the nearest share.

What is a Scaleback?

A Scaleback is a reduction in the allotments of shares under the Plan (compared to the parcels applied for) that Ausenco may undertake if it receives applications under the Plan for more shares than it wishes to issue.

Ausenco has not set an upper limit on the amount of capital to be raised under the Plan. However, Ausenco reserves absolute discretion to determine the amount raised under the Plan and to scale back applications under the Plan to the extent and in the manner that it sees fit.

Factors that Ausenco may take into account in determining any Scaleback include, but are not limited to, the amount applied for by each shareholder under the Plan, the number of shares held at the Record Date and whether the shareholder remains on the register on the Closing Date. Ausenco may scale back applications below the Minimum Application Amount.

If Ausenco undertakes a Scaleback, you will receive the number of shares determined by Ausenco in its absolute discretion which may be less than the parcel of shares for which you have applied. In this case, the difference between the application moneys received, and the number of shares allocated to you multiplied by the Issue Price, will be refunded to you by direct credit (to your nominated account as recorded on Ausenco's share register) or cheque as soon as practicable, without interest.

Decisions made about scaling back by the Board of Ausenco are final.

What do I do if I receive more than one Application Form?

If you receive more than one Application Form or if you hold shares in more than one capacity, for example, if you are both a sole and a joint holder of shares, the maximum amount you may apply to invest under the Plan in any 12 month period is \$15,000. This limitation is imposed by the Australian Securities & Investments Commission ("ASIC").

Single holders – If you are the only registered holder of a holding of shares but you receive more than one offer under the Plan, you may only apply for one maximum parcel of shares.

Joint holders – If you are a joint holder of a holding of shares, that joint holding is considered to be a single registered holding for the purpose of the Plan and the joint holders are entitled to participate in the Plan in respect of that single holding only. If the same joint holders receive more than one offer under the Plan, the joint holders may only apply for one maximum parcel of shares.

Trustees and nominees – If you are expressly recorded in the Ausenco share register as holding shares as trustee or nominee for one or more named persons (each a "beneficiary"), each named beneficiary is taken to be an eligible shareholder for the purposes of the Plan and you may apply for up to \$15,000 for each such beneficiary. If the Ausenco share registry does not record a named beneficiary in respect of your trustee or nominee holding, the rules for single holdings apply.

By applying to purchase shares under the Plan, you certify that you have not exceeded this limit of \$15,000.

Ausenco reserves the right to reject applications where it appears that you are applying for more than \$15,000 of shares.

Will any fees be payable to brokers in connection with the offer?

A stamping fee equal to 1.25% of the application amount (exclusive of GST) of new shares issued under the Plan will be paid to stockbrokers (being those entities recognised as full service or advisory brokers by ASX) who submit a valid claim for a broker stamping fee on successful applications.

Other fees may be payable to other non-advisory, non-full service brokers.

If Ausenco undertakes a Scaleback, the broker stamping fee will be payable on the value of the shares issued.

Will the offer be available again?

The Plan is intended to be a one-off offer to Eligible Shareholders, providing them with an opportunity to purchase additional Shares without transaction costs and brokerage, at the same price (or less) as that offered under the Placement. However, the Board retains the right to make similar offers under future Share Purchase Plans.
